2013

- LGDA: £16,565 (\$25,000)
 - ✓ Supporting the first International Conference in Science and Medicine on Generalised Lymphatic Anomaly (Lymphangiomatosis) & Gorham-Stout Syndrome, held in June 2013, in Atlanta.
 - ✓ The development of patient and doctor guides
 - ✓ Upkeep of the patient registry.

Thank you

The LGDA UK would like to take this opportunity to thank patients, families and friends for their support over the last 10 years. Together we have made a difference to those affected by complex lymphatic anomalies.
